

PEACE POPPIES

As Remembrance Day approaches, help **Escape Arts** fill Stratford Town Centre with poppies. We are aiming to create a colourful, but fitting Remembrance installation in the window spaces at Debenhams.

We invite you to draw, colour, paint or collage individual poppies using any materials and media of your choice to contribute to this important, collective piece of artwork. Your poppy can be up to A4 and made from anything you choose.

Please cut your poppies out and we will collect them from your school.
